Weston Conservation Commission Meeting Minutes  
Thursday, January 7, 2021 (Zoom meeting)

**Attending:** Anne Degan, Ann Fujii, Andrew Harper, Deborah Hennessey, Jeff Lennox, Loretta Murphy

**Absent:** Donald Hart

**Meeting Called to Order:** 7:06 pm

**Requested Changes to Agenda:** None

**Public Comment:** None

**Review and Approve Minutes:** Jeff moved and Ann F. seconded to approve December 3, 2020 minutes. Unanimously approved.

## WCC Projects Update

- **Civilian Conservation Corps Trail:** The trail is complete. Work on the informational kiosk has slowed because of the holidays. Anne D. offered to gather historical information and help put together the text to accompany the photos.

- **Rec Center Trail:** Andrew scoped the area along the river from the Playhouse to the town Rec Center. He reported a bike/walk trail appears to be doable. Ann F. suggested we consider applying for a state grant for a feasibility study, possibly in conjunction with the Planning Commission. Jeff offered to do some preliminary investigating to see what state grants might be available. It was agreed as a first step we should roughly sketch the trail using town GIS maps and then approach landowners.

## Old and New Business

- **Presentation for Town Meeting:** Anne D. will do the write-up for the Town Report. Town Meeting Day presentation was put on hold until we know when and where the meeting will be.

**Adjourned:** 7:57 pm

Respectfully submitted, Anne Degan
