**Requested Changes to Agenda:** None

**Public Comment:** None

**Review and Approve Minutes:** Andrew moved and Jeff seconded to approve June 4, 2020 and Oct. 1, 2020 minutes. Unanimously approved.

**WCC Projects Update**

- **Civilian Conservation Corps Trail:** Andrew and Jeff began trail work on the .25-mile newly designated Class 2 hiking trail. The trail leads to the beaver dam but stops short of the historic CCC site. Work continues to develop an informational kiosk near the trailhead off Route 155. Dana Strout is the new recreational trails director for the Forest Service.

- **Rec Center Trail:** Preliminary discussion continued to identify landowners and others with a possible interest in the idea of a bike/walk trail along the west side of the river from the Playhouse to the Rec Center.

- **New Projects:** Deborah will check in with the chair of the Londonderry Conservation Commission to see if there are any local/area projects that might be of interest to us.

**Old and New Business**

**Community Garden Update:** Retta will be in touch with Marisa Bolognese who continues to look for appropriate space for a community garden and greenhouse.

**Other:** Jeff reported that the Perry Neff Conservation Fund has \$8900 in a savings Certificate of Deposit and another \$314 listed as library book donations. Jeff will try to sort out, and report back at our next meeting, why the book donations are included in the Perry Neff fund as opposed to our regular budget.

**Adjourned:** 6:35 pm

Respectfully submitted, Anne Degan
