Data sources:

- Zoning district boundaries were developed by Windham Regional Commission in 2013 using road centerline data, data from the Vermont Hydrography Dataset, and 2012 parcel data.
- Highway data are from Vt. Agency of Transportation sources (VGIS data layer RDShnmn). Data were updated by Windham Regional Commission in 2010 using data from Vermont's Enhanced 911 Board and Vermont digital orthophotos.
- Surface waters are from the Vermont Hydrography Dataset (VGIS data layer SWInnmnmm).
- Building locations are from the VGIS data layer ESITE, supplied by Vermont's Enhanced 9-1-1 program.
- Contour lines were generated from USGS 1:24000 Digital Elevation Models.
